FLOOR DEBATE

March 5, 2004            LB 479, 1065

agree to--and I don't know what Senator Schrock's concerns or comments were--but would work with whomever. If we absolutely have to move the bill back off Final Reading for a specific amendment, I would agree to that. And on...the better alternative would be to address the issue that Senator Bourne has raised on LB 1065. There are very similar components to LB 1065 via amendments in the committee, and I think that really would be the place to work on Senator Bourne's concerns as the funding of these ethanol plants in LB 1065. So I ask the body's adoption of AM2713, and I certainly appreciate your patience. Thank you.

SENATOR CUDABACK: Thank you, Senator Baker. You've heard the closing on AM2713, offered by Senator Baker to LB 479. The question before the body is, shall that amendment be adopted? All in favor vote aye, opposed nay. The question before the body is adoption of AM2713. Senator Baker, what purpose do you rise?

SENATOR BAKER: (Microphone malfunction)...please. I'm sorry. I would ask for a call of the house, please.

SENATOR CUDABACK: There's been a request...
